Dear Sir/Madam,

**NOTICE OF EXHIBITION
WESTERN SYDNEY UNIVERSITY INNOVATION HUB (SSD 9670)
2-6 HASSALL STREET, PARRAMATTA**

Reference is made to the Department of Planning and Environment letter dated 20 May 2019, regarding the abovementioned application which was referred to Roads and Maritime Services (Roads and Maritime) for comment.

Transport for NSW (TfNSW) will provide a separate submission.

Roads and Maritime has reviewed the submitted application and recommends that the following requirement is included in any determination issued by the Department:

1. A Construction Pedestrian Traffic Management Plan (CPTMP) should be submitted in consultation with the TfNSW Sydney Coordination Office (SCO), Roads and Maritime, and City of Parramatta Council, prior to the issue of a Construction Certificate. The CPTMP needs to include, but not be limited to, the following: construction vehicle routes, number of trucks, hours of operation, access arrangements and traffic control, taking into consideration the cumulative traffic impacts of other developments in the area.

Should you have any further inquiries in relation to this matter, please do not hesitate to contact Vic Naidu, Land Use Planner, by email at development.sydney@rms.nsw.gov.au

Yours sincerely,

Brendan Pegg
