**Earth Moving &
Heavy Haulage Contractors**

19.5.2014

To Whom It may concern, this company employee approx 70 employees at this time, and has been involved in some form within the coal mining industry for the past 50 years.

The company has a reliance on continued operations of the industry in the area for our contract work involving our staff employment income and prosperity.

We employ local people in our business to achieve quality results in our business to achieve quality results for our company, and satisfaction of providing our clients to the best of our ability.

The workforce we employ have relied, and continue to rely, on us for continued work to continue their employment and income.

We in turn rely upon Angus Place Colliery to continue to mine coal to sustain our business and achieve positive outcomes.

Angus Place employee 300 and their incomes are spent on local businesses and services. They also have great involvement in local sporting and community groups. They have a good track record in our local area with minimal impact to the people that live here and the local environment.

Henry's understand that Angus Place Colliery have a proposed mine extension that will extend the life of the mine into the future. We believe that approval of the extension would be of great benefit to the entire community at large as well to our company.

Yours Faithfully

Director
