Dear Mr Roberts

**Exhibition of Modification Request for the Sandstone Precinct
(SSD 7484 MOD 3) - Bridge Street, Sydney**

Thank you for your letter dated 29 October 2018, requesting Transport for NSW (TfNSW) review and comment on the above.

It is noted that the Sydney Coordination Office within TfNSW endorsed the Construction Pedestrian and Traffic Management Plan (CPTMP) for the Sandstone Precinct main works in September 2018. TfNSW requests the CPTMP be updated to reflect the proposed modification and submit it to the Coordinator General, Transport Coordination for endorsement.

If you require clarification on the above, please don't hesitate to contact Para Sangar, Senior Transport Planner, Land Use Planning and Development on 0466 024 892.

Yours sincerely

12/11/2018
