Reference is made to the Department of Planning and Environment (DP&E) letter dated 29 October 2018, regarding the abovementioned application which was referred to Roads and Maritime Services (Roads and Maritime) for comment.

Transport for NSW (TfNSW) will provide a separate submission.

Roads and Maritime has reviewed the submitted application and whilst has no objections to the proposed modifications, provides the following comments for the Department's consideration in the determination of the application:

The CPTMP needs to include, but not be limited to, the following: construction vehicle routes, number of trucks, hours of operation, access arrangements and traffic control.
