Dear Mr Herbert,

I tried to go through the regular submissions but wouldn't except my submission so I'm emailing you.

My wife and I bought our property apt. 306, 14 years ago in 2004. The apartment is located at Mantra Ettalong Beach, 53-54 The Esplanade. We planned on using our investment in our retirement. I am retired and my wife is about to retire. The building that was built across the street on Memorial ave. & The Esplanade has depreciated our investment in my opinion by more then \$100,000. From lost views, etc.

We had beautiful views to Hardy's Bay & across to Wagstaff..

What very limited view we have left they want to take that away as well , with submission 5.

I strongly object to this new submission 5.

Yours sincerely,

John B. MacLean (owner of apartment 306)
