Dear Sir,

Re: BODANGORA WIND FARM MP10\_0157

I, *lex O'NEILL*, am aware of the proposal to construct up to 40 wind turbines in the Bodangora area, approximately 20 kilometres from Wellington, NSW.

I give/do not give permission for my personal details to be released to the proponent, the public or any other government development.

I wish to lodge my objection to this wind turbine proposal because of the following:

- ☒ Health Impacts
- ☒ Noise pollution both audible and infrasound
- ☐ Visual pollution and increasing turbine size
- ☒ Lack of community consultation and transparency
- ☐ Contractual secrecy containing gag clauses
- ☐ Destruction of flora and fauna
- ☐ Devaluation of affected land and surrounding land
- ☐ Safety issues relating to blade throw and fire dangers, and the inability to fight fires near turbines
- ☒ Danger to low flying agricultural air craft
- ☒ Shadow flicker
- ☐ Further damage to already dangerous country roads
- ☐ Destruction of historic, heritage and cultural areas
- ☐ Reduced agricultural productivity
- ☐ Division of rural communities and alienation within families
- ☐ Destruction of rural social infrastructure
- ☐ Enforced tax payer subsidies to the wind turbine industry
- ☐ Inefficient and intermittent electricity production
- ☐ Inability to produce base load power
- ☐ Inadequate or non-existent provision for decommissioning and removal of old turbines

I therefore petition the Department of Planning & Infrastructure to disallow this proposal and look forward to your Department's favorable consideration of this submission.

Yours faithfully,

*lex O'NEILL*
