BODANGARA WIND FARM.
APPLICATION NO. - MP10-0157

ATTENTION:- JAMES ARCHDALE.

DEAR JAMES

THIS IS A LETTER IN SUPPORT OF THE WIND FARM AT BODANGARA, EVEN THOUGH I AM SHARING A HOUSE THAT IS ONE OF THE CLOSEST TO THE PROPOSED TURBINES & HAVE NO FINANCIAL BENEFITS FROM THE PROPOSED SITE I AM IN FULL SUPPORT OF THE PROPOSED WIND FARM GOING AHEAD.

RECENTLY I WENT ON A BUS EXCURSION TO SEE A WIND FARM NEAR GOULBURN & I CAME BACK WITH A BETTER & GREATER UNDERSTANDING OF HOW THEY WORK. ALL THE BAD PUBLICITY OF HOW A WIND FARM WOULD UPSET LIVESTOCK & NATIVE ANIMALS IS JUST A SCARE MUNGER TACTIC FROM PEOPLE WHO DON'T WANT A MORE EFFICIENT & CLEANER WAY OF PRODUCING ELECTRICITY. WHEN YOU SEE FIRST ^{HAND} LIVESTOCK & NATIVE ANIMALS WALKING UP TO & LYING NEXT TO THE WIND TURBINES MAKE A MOCKERY OF THE BAD PUBLICITY.

ON THE RECENT TOUR OF THE FARM NEAR GOULBURN IT WAS A GREAT PITY THAT THE PEOPLE WHO ARE AGAINST THE BODANGARA WIND FARM DIDN'T TAKE THE ADVANTAGE TO MAKE THE TRIP & SEE FIRST HAND HOW THEY OPERATE & HAVE QUESTIONS ANSWERED BY A REPRESENTATIVE OF INFERGEN ENERGY. THE BUS WAS ONLY HALF FULL. THE NOISE FACTOR IS JUST ABOUT NIL. THERE IS MORE NOISE LIVING NEAR A HIGHWAY, TRAIN LINES OR AIRPORT.

YOURS FAITHFULLY,

N. Fraser

NEIL FRASER. 17TH JULY 2012.
