Dear Sir,

Re: BODANGORA WIND FARM MP 10_0157

I, Timothy J ROGERS, am aware of the proposal to construct up to 33 wind turbines in the Bodangora area, approximately 20 kilometres north-east of Wellington NSW.

GIVE
I ~~give/do not~~ give permission for my personal details to be released to the proponent, the public or any other government department.

I which to lodge my objection to this wind turbine proposal because of the following:

- ☒ Health Impacts
- ☒ Noise pollution both audible and infrasound
- ☐ Visual Pollution and increasing turbine size
- ☐ Lack of community consultation and transparency
- ☐ Contractual secrecy containing gag clauses
- ☒ Destruction of flora and fauna
- ☒ Devaluation of affected land and surrounding land
- ☐ Safety issues relating to blade throw and fire dangers, and the inability to fight fires near turbines
- ☒ Danger to low flying agricultural air craft
- ☐ Shadow Flicker
- ☐ Further damage to already dangerous country roads
- ☐ Destruction of historic, heritage and cultural areas
- ☒ Reduced agricultural productivity
- ☒ Division of rural communities and alienation within families
- ☒ Destruction of rural social infrastructure
- ☒ Enforced tax payer subsidies to the wind turbine industry
- ☐ Inefficient and intermittent electricity production
- ☐ Inability to produce base load power
- ☐ Inadequate or non-existent provision for decommissioning and removal of old turbines

I therefore petition the Department of Planning & Infrastructure to disallow this proposal and look forward to your Department's favourable consideration of this submission.

Yours faithfully,

.....
