Department of Planning & Infrastructure,
GPO Box 39
SYDNEY NSW 2001

Dear Sir,

IORA WIND FARM MP10_0157

....., am aware of the proposal to construct up to 40
wind turbines in the Boulangora area, approximately 20 kilometres from Wellington, NSW.

I ~~give~~ do not give permission for my personal details to be released to the proponent,
the public or any other government development.

I wish to lodge my objection to this wind turbine proposal because of the following:

- ☒ Health Impacts
- ☒ Noise pollution both audible and infrasound
- ☐ Visual pollution and increasing turbine size
- ☒ Lack of community consultation and transparency
- ☐ Contractual secrecy containing gag clauses
- ☐ Destruction of flora and fauna
- ☒ Devaluation of affected land and surrounding land
- ☒ Safety issues relating to blade throw and fire dangers, and the inability to fight fires near turbines
- ☐ Danger to low flying agricultural air craft
- ☐ Shadow flicker
- ☐ Further damage to already dangerous country roads
- ☐ Destruction of historic, heritage and cultural areas
- ☐ Reduced agricultural productivity
- ☒ Division of rural communities and alienation within families
- ☒ Destruction of rural social infrastructure
- ☒ Enforced tax payer subsidies to the wind turbine industry
- ☒ Inefficient and intermittent electricity production
- ☒ Inability to produce base load power
- ☐ Inadequate or non-existent provision for decommissioning and removal of old turbines

I therefore petition the Department of Planning & Infrastructure to disallow this
proposal and look forward to your Department's favorable consideration of this submission.

Yours faithfully,
