Major Projects Assessment,
Department of Planning & Infrastructure,
GPO Box 39,
SYDNEY, NSW, 2001.

Dear Sir,

Re: BODANGORA WIND FARM MP 10_0157

..., am aware of the proposal to construct up to 33 wind turbines in the Bodangora area, approximately 20 kilometres north-east of Wellington NSW.

I give/do not give permission for my personal details to be released to the proponent, the public or any other government department.

I wish to lodge my objection to this wind turbine proposal because of the following:

- ☒ Health Impacts
- ☒ Noise pollution both audible and infrasound
- ☒ Visual Pollution and increasing turbine size
- ☐ Lack of community consultation and transparency
- ☐ Contractual secrecy containing gag clauses
- ☒ Destruction of flora and fauna
- ☒ Devaluation of affected land and surrounding land
- ☒ Safety issues relating to blade throw and fire dangers, and the inability to fight fires near turbines
- ☒ Danger to low flying agricultural aircraft including restrictions to aerial fire support
- ☐ Shadow Flicker
- ☒ Further damage to already dangerous country roads
- ☐ Destruction of historic, heritage and cultural areas
- ☒ Reduced agricultural productivity, in particular livestock production
- ☒ Division of rural communities and alienation within families
- ☐ Destruction of rural social infrastructure
- ☐ Enforced tax payer subsidies to the wind turbine industry
- ☒ Inefficient and intermittent electricity production
- ☐ Inability to produce base load power
- ☐ Inadequate or non-existent provision for decommissioning and removal of old turbines

I therefore petition the Department of Planning & Infrastructure to disallow this proposal and look forward to your Department's favourable consideration of this submission.

Yours faithfully,
