Dear Sir,

Re: **BODANGORA WIND FARM MP 10\_0157**

I, ..., am aware of the proposal to construct up to 33 wind turbines in the Bodangora area, approximately 20 kilometres north-east of Wellington NSW.

I give/~~do not~~ give permission for my personal details to be released to the proponent, the public or any other government department.

I wish to lodge my **objection** to this wind turbine proposal because of the following:

- ☒ Health Impacts
- ☒ Noise pollution both audible and infrasound
- ☒ Visual Pollution and increasing turbine size
- ☒ Lack of community consultation and transparency
- ☒ Contractual secrecy containing gag clauses
- ☒ Destruction of flora and fauna
- ☒ Devaluation of affected land and surrounding land
- ☒ Safety issues relating to blade throw and fire dangers, and the inability to fight fires near turbines
- ☒ Danger to low flying agricultural aircraft including restrictions to aerial fire support
- ☒ Shadow Flicker
- ☒ Further damage to already dangerous country roads
- ☒ Destruction of historic, heritage and cultural areas
- ☒ Reduced agricultural productivity, in particular livestock production
- ☒ Division of rural communities and alienation within families
- ☒ Destruction of rural social infrastructure
- ☒ Enforced tax payer subsidies to the wind turbine industry
- ☒ Inefficient and intermittent electricity production
- ☒ Inability to produce base load power
- ☒ Inadequate or non-existent provision for decommissioning and removal of old turbines

I therefore petition the Department of Planning & Infrastructure to disallow this proposal and look forward to your Department's favourable consideration of this submission.

Yours faithfully, / / /
