

Dear Sir,

Re: Bodangora Wind Farm MP 10_0157

I, _____ am aware of the proposal to construct up to 40 wind turbines in the Bodangora area, approximately 20 kilometres from Wellington, NSW.

I do not give permission for my personal details to be released to the proponent, the public or any other government department.

I wish to lodge my objection to this wind turbine proposal because of the following:

- ☐ *Health Impacts*
- ☐ *Noise pollution both audible and infrasound*
- ☐ *Visual Pollution and increasing turbine size*
- ☐ *Lack of community consultation and transparency*
- ☐ *Contractual secrecy containing gag clauses*
- ☐ *Destruction of flora and fauna*
- ☐ *Devaluation of affected land and surrounding land*
- ☐ *Safety issues relating to blade throw and fire dangers, and the inability to fight fires near turbines*
- ☐ *Danger to low flying agricultural air craft*
- ☐ *Shadow Flicker*
- ☐ *Further damage to already dangerous country roads*
- ☐ *Destruction of historic, heritage and cultural areas*
- ☐ *Reduced agricultural productivity*
- ☐ *Division of rural communities and alienation within families*
- ☐ *Destruction of rural social infrastructure*
- ☐ *Enforced tax payer subsidies to the wind turbine industry*
- ☐ *Inefficient and intermittent electricity production*
- ☐ *Inability to produce base load power*
- ☐ *Inadequate or non-existent provision for decommissioning and removal of old turbines*

I therefore petition the Department of Planning & Infrastructure to disallow this proposal and look forward to your Department's favourable consideration of this submission.

Yours faithfully,
