I object to the wind farm for the following reasons

① I have lived here for 10 yrs, I enjoy the view of the mountain range as it is and should always be.

I am a quadriplegic - complete: C-4.
Moved here for the beautiful surroundings the community which I see is being torn apart & divided over this wind farm.

② Accessibility will be compromised by the huge amount of traffic this will bring.

③ I am sensitive to noise, vibrations.

④ The town, the views are beautiful
I do not want to see them changed.

⑤ The river is only 500^{mtr's} from my home and I am very concerned about the health of the river.

⑥ The environmental impact will be enormous
100 yr old trees & tallest snow gums in the World. Unacceptable -
