Submission (objection) by [REDACTED], Resident of Nundle, NSW

Re: Development Title: Hills of Gold Wind Farm
Application Number SSD-9679

To Whom it May Concern,

My name is [REDACTED], I've travelled extensively around the world. I came to live and settle in Nundle 14 yrs ago and found it be a beautiful and unique place for Australia and anywhere in the world in fact. I'd like to keep it that way. It's a fragile environment, that's probably already been tampered with too much as it is. It's a source of water that 100s of 1000s of people rely on and I believe the construction of turbines and digging into the mountain will affect that. I think this beautiful environment should be maintained as it is.

Sincerely,
