## SUBMISSION FOR SUPPORT

I fully support the local windfarm. Nundle as a town has slowly died over the past 30 years. There were lots of jobs back then, Nundle Shire Council employed about 20 people, the Forestry employed about 20 people, we had 2 shops both with fuel, bank, butcher, the best meat pies from our own Marvell's Bakery, a doctor and the local school up until mid 80's still had a high school. ~~Now~~ One local farm "Womburra" used to employ about 10 people, this job security has been lost. The windfarm would be a great boost to our town in 3 ways. It will provide good permanent jobs, increase tourism and most important of all, provide clean energy.
