SUBMISSION FOR SUPPORT

I believe in the hills of field
Wind Farm because it will
inject a lot of money into
our Community.

There will be increased employment
during Construction & for the life of
the wind farm, it will bring
employment opportunities for the
locals as there's no employment
opportunities here in Nundle.

The Community fund would benefit
Nundle immensely as no funding is
provided for Nundle.

SUBMISSION FOR SUPPORT

I support the hills of gold wind farm because there are no job opportunities here in Nundle so no young families coming to mendo to live. They are all aged between 50 - 90yrs old.

Our school survives on young families coming to the area.

The Wind farm will bring more Tourism to the town which in turn will provide more jobs at cafes in our sleepy little town.

The Wind farm will NOT do any harm to our community BUT will help it.
