- I am attaching my submission to the above mentioned development application
- I hereby declare that I object to the Hills of Gold Wind Farm proposal ID no. SSD 9679

Dear Sir or Madam,

I wish to object to the Proposed Wind farm in Hanging Rock Area.

I am very concerned about the damage to this Rare Area caused by the Huge Clearing + Widening of the Road and the building of another Road.

I am also concerned about the damage to the vegetation and the Wild life caused by this Proposed Wind farm. There are rare colonies of Koalas there and the water way containing Wild trout + yabbies + native smaller fish + Eels.

There is also the very Real possibility of a large Change to the Areas Rain fall + climate these Turbines could + will likely Bring. We are in the catchment of the Peel River which is the source of water for the Chaffey Dam which even though augmented, recently ended up nearly empty ~~the~~ during the Recent Drought which could have meant Tamworth ~~the~~ would have Run out of water. Thank you
