SUBMISSION FOR SUPPORT

Dear Sir/Madam

I have understood the proposed project and I am in support of it progressing.

I believe it will have a positive impact on the community due to the employment opportunities and upgrades to infrastructure in the area.

People should not be concerned about the visual impact from the corner of Nundle Rd & Lindsay Egn rd due to road safety priorities.

In Luerell the turbines became a tourist attraction.

I have driven past windmills and struggled to see them. Had I ~~been~~ been driving I would not have seen them.
