I am concerned about the damage to the environment this project can cause. I think that we need to preserve the remaining natural habitat, after so much clearing in the area has already been done, and recent bushfires and drought that impacted this area.

We know for a fact that there are koalas and quolls present on the ridge. It's only money and greed that drives this project.

~~I am concerned about the traffic impact to the Nundle village and the damage it will do to out tree lined streets.~~
