RE: HILLS OF GOLD WIND FARM APPLICATION NO. SSD 9679

- I am attaching my submission to the above mentioned development application
 - I hereby declare that I object to the Hills of Gold Wind Farm proposal ID no. SSD 9679
 - I would like my personal details withheld
 - I have not made any reportable political donations in the previous 2 years
- 

I have lived in this area for 41 years and Nundle has been a particular favourite of mine & our family.

If the Windfarm goes ahead it will cause so much damage to the environment. Trees uprooted causing run off from heavy rains, flora & fauna destroyed, the hideous sound of the turbines. The plan to install these monstrosities should be banned, otherwise this peaceful village will be destroyed.
