SUBURB:

REASON FOR OBJECTION:

I visited the DAG Sheepstation at Nundle NSW today to attend a show and to view the area as a wedding venue. As a photographer I was shocked to learn that the panoramic views of the countryside would be lost if the proposed 'Hills of Gold Windfarm' is allowed to go ahead.

Among many other reasons this development should not be approved, the fact that it would create an eyesore for many people, both locals and visitors, should be taken into consideration when permission is being debated.

I hereby strongly oppose the development of the 'Hills of Gold Windfarm'.
