**RE: HILLS OF GOLD WIND FARM APPLICATION NO. SSD 9679**

- I am attaching my submission to the above mentioned development application
  - I hereby declare that I object to the Hills of Gold Wind Farm proposal ID no. SSD 9679
  - I would like my personal details withheld
  - I have not made any reportable political donations in the previous 2 years
- 

I do not want to see any more destruction of native bushland, it needs to be protected from further development not be cleared for industrial turbines. This area is unique and the only one like it in Australia and the world. I will be living here with my son and his partner and object strenuously to this being allowed to go ahead. This will impact horrifically on our property.
