SUBURB:

REASON FOR OBJECTION:

Destruction of the environment

Noise pollution

eye sore - ugly

Nundle is unique in as much as
it is a beautiful Sleepy little place

These wind farms will impact everyone
who lives here not to mention the
people who travel here to escape
the city to relax and enjoy the
peace + quiet.

The noise alone they generate is
bad enough, let alone the eyesore
they create and the continually
Flashing lights will be a constant
to Annoyance.

It's a Terrible Idea.

We Don't want it here.
