SUBMISSION FOR SUPPORT

My reasons for supporting the wind farm are as follows.

To make the town grow to create jobs and more businesses in the town. More homes and more families moving into the area.

More houses being built which would drive the prices of property up.

A ~~the~~ decent playground needs to be built for the children. Sporting activities for the children need to be created as there is nothing here for them to be involved in at all.

There is nothing in the town that is keeping ~~here~~, ~~they~~ ~~have~~ people in the area.

We have to drive 1 hour to Tamworth to get groceries and anything else we need because it is too expensive to buy at the local shop because they have to put their prices up to survive.
