Re: Hills of Gold Wind Farm Application Number SSD 9679

I am attaching my submission to the above mentioned development application.
I hereby declare that I object to the above mentioned development application.
I would like my personal details withheld.
I have not made any reportable political donations in the last 2 years.

I hereby declare that I object to the Hills of Gold Wind farm proposal ID SSD 9679

I have always enjoyed my holidays in Nundle viewing the unspoilt landscape, enjoying the nature and history of the area. To have wind turbines on the Hills of Gold would be such an unpleasant sight - enough to prevent myself and the others we travel with, not to return.

Nundle is a town which survives on tourism. Without the tourists and visitors to the town the businesses would not be viable.

I **object** to the wind turbines being placed on the Hills of Gold. Do NOT destroy this unique countryside.
