Re: Hills of Gold Wind Farm Application Number SSD 9679

I am attaching my submission to the above mentioned development application.
I hereby declare that I object to the above mentioned development application.
I would like my personal details withheld.
I have not made any reportable political donations in the last 2 years.

I hereby declare that I object to the Hills of Gold Wind farm proposal ID SSD 9679

Compared to the rare natural environment which surrounds Nundle wind farms are visual pollution.

This state should not destroy what little of nature we have left, put them where they will not be noticed -ie above an industrial site already polluted.

I like visiting Nundle and do not want to see wind turbines on the 'Hills of Gold' I would not come back.

I **object** to the proposed wind farm in this area.
