RE: Hills of Gold Wind Farm Application Number SSD 9679

I am attaching my submission to the above-mentioned development application.

I hereby declare that I object to the above-mentioned development application.

I would like my personal details withheld.

I have not made any reportable political donations in the last 2 years.

I hereby declare that I object to the Hills of Gold Wind farm proposal ID SSD 9679

My family and I are avid bird watchers, photographers and bushwalkers. I fear the movement of the turbines would be a great risk to birds of prey found in the surrounding areas. I also wonder about the constant noise created by the turbines to the local fauna which would disrupt their peaceful life.

It would be a shame to lose the birdlife in this area as this is one of the many reasons that my family visit Nundle and its surrounds.
