Re: Hills of Gold Wind Farm Application Number SSD 9679

I am attaching my submission to the above mentioned development application.
I hereby declare that I object to the above mentioned development application.
I would like my personal details withheld.
I have not made any reportable political donations in the last 2 years.

I hereby declare that I object to the Hills of Gold Wind farm proposal ID SSD 9679

The wind farm proposal has had and still does have a huge impact on the health of residents in Nundle and Hanging Rock. They are anxious, stressed and sleep deprived - their lives have been disrupted since the proposal was first raised in March 2018 by one greedy man who would gain at the detriment of the community.

The wind turbines would destroy the vista that encapsulates the township of Nundle.

The whole reason many residents moved from Sydney, Newcastle and many other places to Nundle and Hanging Rock was to enjoy the peacefulness and stress free environment and the beautiful countryside.

They haven't been able to do this for years with the threat of their livelihoods and countryside being destroyed.

I object to the wind turbine farm
