**Re: Hills of Gold Wind Farm Application Number SSD 9679**

I am attaching my submission to the above mentioned development application.  
I hereby declare that I object to the above mentioned development application.  
I would like my personal details withheld.  
I have not made any reportable political donations in the last 2 years.

**I hereby declare that I object to the Hills of Gold Wind farm proposal ID SSD 9679**

Generations of my family have spent many many holidays in Nundle which my family thoroughly enjoyed and reflected upon memorably.

Time always seemed to pass at a slow pace when in the peacefulness of this beautiful town.

I have always loved the the history of this gold mining town and the heritage buildings and the beauty of the mountains. Why would someone want to destroy this?? The wind turbines will prevent future families from enjoying this beautiful place.

I am now 93 years old and I would like to see the beautiful Hills of Gold preserved so my great granddaughters can enjoy the countryside and peacefulness and serenity of Nundle which my son and grandchildren have and still are.

A wind farm which can be seen from everywhere will destroy the tourism of Nundle and along with many people's lives.

I **OBJECT** to wind turbines being placed on the Hills Of Gold and destroying the tourism in the town.
