**Re: Hills of Gold Wind Farm Application Number SSD 9679**

I am attaching my submission to the above mentioned development application.  
I hereby declare that I object to the above mentioned development application.  
I would like my personal details withheld.  
I have not made any reportable political donations in the last 2 years.

**I hereby declare that I object to the Hills of Gold Wind farm proposal ID SSD 9679**

I wish to express my sincere sympathy to the wonderful friendly township of Nundle. We have been frequent visitors to Nundle over many years - my husband having lived there until he was 14 years of age. Also he has a family history relating to the Gold Rush in the 1800s settling in both Nundle and Hanging Rock.

It is difficult to comprehend that some people would want to desecrate this beautiful country with huge white monoliths, which don't seem to perform very well.

We will miss our trips to Nundle very much as we would not have the heart to revisit, if this proposed wind farm went ahead.

This is not progress this is sacrilege.

**I object** to the wind turbines being places on the 'Hills of Gold'
