Re: Hills of Gold Wind Farm Application Number SSD 9679

I am attaching my submission to the above mentioned development application.
I hereby declare that I object to the above mentioned development application.
I would like my personal details withheld.
I have not made any reportable political donations in the last 2 years.

I hereby declare that I object to the Hills of Gold Wind farm proposal ID SSD 9679

Nundle has lots of community events (which are organised by lots of committees) during the year which attract many people - these events support many community groups in the town, the school, the swimming club and some charities.

If the proposal was to go ahead these would not be able to run due to no parking, traffic through the town, lack of accommodation as the proposal indicates the workers would take advantage of any available accommodation so no accommodation for visitors.

The end result would be these events probably would never run again as committees would be disbanded as they would not be needed for a few years. These events are needed for the residents of the town - they get together and talk, have coffees etc solve the problems of the world but also plan the events. Lack of community involvement is **NOT** good for mental health

Some of the events in Nundle

- * Great Nundle Dog Race which is the major fund raiser for Nundle Public School - huge impact
- * Go for Gold Chinese festival at Easter
- * part of the Country Music Festival which would impact the Tamworth economy
- * Nundle Gourmet Country Picnic
- * Nundle Art Show
- * Twilight Markets
- * Hats off to Country
- * Nundle Campdraft
- * Wombramurra Garden open days (historical buildings)
- * Nundle Craft Shop

I **object** to the proposed wind farm it would impact adversely on the **mental health** of the residents of Nundle and Hanging Rock.
