**Re: Hills of Gold Wind Farm Application Number SSD 9679**

I am attaching my submission to the above mentioned development application.  
I hereby declare that I object to the above mentioned development application.  
I would like my personal details withheld.  
I have not made any reportable political donations in the last 2 years.

**I hereby declare that I object to the Hills of Gold Wind farm proposal ID SSD 9679**

As a regular visitor to this area - I enjoy the peacefulness, beauty and history that this area of Australia provides. It is unspoilt - the buildings provide the history of the gold rush days - very important time in Australia's history.

The Hills of Gold should not be touched - they should be left for future generations to enjoy.

This area of Australia is very unique and should be protected under the Environment Protection & Biodiversity Conservation Act.

I **object** to wind farms being proposed for this area - put them in an area where they will not impact on peoples lives and nature.
