**Re: Hills of Gold Wind Farm Application Number SSD 9679**

I am attaching my submission to the above mentioned development application.  
I hereby declare that I object to the above mentioned development application.  
I would like my personal details withheld.  
I have not made any reportable political donations in the last 2 years.

**I hereby declare that I object to the Hills of Gold Wind farm proposal ID SSD 9679**

Nundle is an historic town founded in 1852. The scenery is so picturesque and loved by all us who visit.

The nine hole golf course which is maintained by dedicated club members on a voluntary basis overlooks the beautiful mountain range where it is proposed to put turbines.

Playing golf, looking at wind turbines would really put you off your game and not encourage you to return.

Without the tourists helping to keep the club going, with the fees they pay, the club would probably be forced to close. Golf is a good sport for people's mental health.

**I object** to a wind farm being placed on the 'Hills of Gold'
