Re: Hills of Gold Wind Farm Application Number SSD 9679

I am attaching my submission to the above mentioned development application.
I hereby declare that I object to the above mentioned development application.
I would like my personal details withheld.
I have not made any reportable political donations in the last 2 years.

I hereby declare that I object to the Hills of Gold Wind farm proposal ID SSD 9679

Nundle is a gold mining town from the 1850s. The streetscape is reminiscent of a bygone era.

The museum which was originally the courthouse, The Peel Inn Hotel, the Jenkins Street Guesthouse, the Primitive Church, Odgers and McClelland Exchange Store, the old Butcher Store.

From all these beautiful historic buildings you can view the 'Hills of Gold' which are part of the history of this unique town. This does not deserve destruction for the sake of a quick financial/ political gain. I do not object to wind farms BUT I do **object** to this one's location
