2.6
I hereby declare that I object to the Hills of Gold Wind farm proposal ID SSD 9679

Tourism has long been established in Nundle due to the picturesque countryside, history of gold mining, peacefulness and beautiful people.

The proposed wind farm in the small unspoilt town will negatively impact on residents and tourists.

The sight of the huge turbines on the ranges and the red flashing lights on the turbines at night for aviation will not encourage tourists to return or to recommend to others to visit. The landscape will be destroyed.

Nundle survives on tourism.

i **object** to the wind farm being built on the Hills of Gold - there are lots of other more suitable places.
