RE: HILLS OF GOLD WIND FARM APPLICATION NO. SSD 9679

- I am attaching my submission to the above mentioned development application
 - I hereby declare that I object to the Hills of Gold Wind Farm proposal ID no. SSD 9679
 - I would like my personal details withheld
 - I have not made any reportable political donations in the previous 2 years
- 

I have visited the Numbie district & Village today and I am disturbed by the proposal of the Wind farm development on the highly visible ridge line of the district. The disturbance to the flora & fauna of the region is unacceptable for a poorly located development.

The impacts through the village of trucking, blade movements will severely effect the lifestyle of a historic and pretty place of Numbie.

Resident movements will be severely impacted.

PS: WE ARE BOTH IN FAVOUR OF ALTERNATIVE ENERGY, BUT ^{etc.} IT NEEDS TO BE PUT IN THE EPR, APPROPRIATE PLACE, WHICH THIS SITE IS NOT.
