## SUBMISSION FOR SUPPORT

I believe the town is slowly dying and it needs some form of industry to prop it up. There is a need for renewable energy and it's got to go somewhere. I've told it's a great location for it, with strongwinds.

I've lived in Nundle for 6 years and own a small business, and I'm hoping with the extra people in town that may be of some help. I've also built a cottage on the property overlooking the river and I see the project will bring an extra need for short-term ~~and~~ and long term accommodation.

I support the project 100% ~~and~~ and hope to see it go ahead.

Don Parvoissier
