To whom it may concern

Workers camp location Baradine on the Narromine to Narrabri project SS1 18- 9487

The Land manager would give support to this project and would like consideration for the workers camp to be located on the Baradine Showground.

The site identified for consideration is on the racecourse area currently leased by the Baradine Central school.

The School has agreed to allow a portion to be used for the camp after they have consultation with the planning position of site and some compensation is agreed upon. This all would be required in writing.

The Land manager has had talks to the school and agree.

Yours truly

Jennifer Hotchkiss

A handwritten signature in black ink, appearing to read 'J Hotchkiss', written over the printed name.
