Dear Ms Brewer

**Application to Modify Project Approval - Capital 2 Wind Farm (MP10\_0135 MOD 4)**

I refer to the Department of Planning and Environment (DPE) correspondence dated 22 September 2016 requesting comments from the Environment Protection Authority (EPA) on an application to modify the Project Approval for the Capital 2 Wind Farm (MP10\_0135 MOD).

The modification application seeks to extend the project approval for the Capital 2 Wind Farm project from 1 November 2016 to 1 November 2021. I understand that no other changes to the project as approved by the Planning Assessment Commission in 2011 are proposed by the modification application.

The EPA has reviewed the modification application and has not identified any issues with the proposed extension of time requested by the proponent. In this regard the EPA has no further comments on the proposed modification.

If you have any queries or wish to discuss this matter further, please contact Matthew Rizzuto, on (02) 62297002 or [queanbeyan@epa.nsw.gov.au](mailto:queanbeyan@epa.nsw.gov.au)

Yours sincerely

 19.10.2016
