SYDNEY, NSW, 2000

Attention: Anna Timbrell

Dear Ms Timbrell

**RE: Modification Request for Capital II Wind Farm – Extension to Overhead Transmission Line (MP 10\_0135 Modification 3)**

I refer to the modification request for the above project provided by the Department of Planning & Environment and received by the Environment Protection Authority (EPA) on 24 October 2014. The application proposes to extend the overhead transmission line by approximately 6 kilometres, to 10.5 kilometres. The EPA welcomes the opportunity to comment on this Modification Request.

The EPA has reviewed the information for the proposed modification and considered the potential impacts of the proposal. Based on the information provided, the EPA considers the potential noise impacts of the proposal to be insignificant. Providing that the noise limits in the Project Approval are complied with during the construction phase, the EPA has no further concerns regarding this Modification Request.

I trust this information will be of assistance. If you have any questions or queries please contact me or Claire Hindle on (02) 6229 7002.

Yours sincerely

**DR SANDIE JONES**
