theoldclare The view from our Rooftop pool and Bar. RG @thesartorialist Sydney is bringing their green game. This building is across the street from my hotel here in Sydney and it's an impressive site from every angle. Book in now at www.theoldclarehotel.com.au to lap it all up on our rooftop.

theoldclare We're opening our doors, or rather our 360 degrees rooftop area, for anyone looking to enjoy Australia Day with fresh drinks, a live DJ and the obvious dip in the pool! Open from 12pm to 8pm, we'll even leave the entrance fee for free giving you no other choice than to swing by!

kellylandry So lovely to meet you @jopretyman ! Thank you so much for having us. It's truly my new drink of choice!! 🍷🍷

kellylandry @uppsychology my skirt is from seed heritage. It's about 6 months old now, so they may now still have it, but their new season is worth checking out.
