Subject: RE: Redevelopment of UNSW Cliffbrook Campus (SSD 8126) - Response to Submissions.

Hi Andrew,

I can confirm there are no further issues to be addressed at the RTS stage.

Sydney Water's formal requirements for servicing the development will be provided at Section 73 Compliance Certificate application phase.

The condition for S73 Compliance Certificate outlined below is fine.

Please do not hesitate to contact me if you have any further questions.

 Regards,

Thanks Lulu.

Does this mean Sydney Water's previous comments on Inner Sydney High have been satisfactorily addressed and there are no further issues? If so, can you please confirm if the following condition will be acceptable:

Compliance Certificate

D1. A Section 73 Compliance Certificate under the *Sydney Water Act 1994* must be obtained from Sydney Water Corporation and submitted to the Certifying Authority prior to occupation of the building. Application must be made through an authorised Water Servicing Coordinator. Please refer to the "Your Business" section of the web site www.sydneywater.com.au then follow the "e-Developer" icon or telephone 13 20 92 for assistance.

Thanks,

Andrew

Hi Andrew,

Thanks for your email.

I have reviewed the RTS for the Inner Sydney High School SSD 7610 and have no further comments to make either.

Please let me know if you have further questions.

Kind regards,

Lulu Huang

Thanks Lulu, can you please advise if Sydney Water will be providing a submission on the Inner Sydney High School Response to Submissions (SSD 7610)? Comments were due last Friday and I am currently collating submissions to provide to the Applicant.

Andrew
