Dear Ms Gizzi

**RE: Notice of Exhibition for Environmental Impact Statement for Health Services Administration Building, Royal North Shore Hospital, St Leonards (SSD 17\_8816).**

Reference is made to your email and supporting documentation received on 15 February 2018, inviting comment on the proposed Health Services Administration Building, Royal North Shore Hospital, St Leonards (Lot 210 DP 1172133), within the Willoughby City Council Local Government Area.

The Heritage Division, on behalf of the Heritage Council has reviewed the supporting documentation, specifically:

- Environmental Impact Statement (EIS), dated January 2018, prepared by Ethos Urban;
- Statement of Heritage Impact, dated November 2017, prepared by GBA Heritage;
- Conservation Management Plan, Royal North Shore Hospital, dated February 2017, prepared by GBA Heritage; and
- Royal North Shore Hospital, St Leonards, Archaeological Assessment, dated May 2006, prepared by Godden Mackay Logan;

Based on the heritage impacts identified in the above documentation, the following Conditions of Consent are recommended for inclusion in any SSD approval for this project:

- 1) All excavation works in areas identified in Figure 4.2 in the GML 2006 Archaeological Assessment as having potential to contain historical archaeology of low to medium significance must be monitored by a suitably qualified and experienced historical archaeologist.
- 2) The historical archaeologist must take adequate steps to record in detail any archaeological relics, structures and features discovered on the site during the excavation works in accordance with current best practice.

If you have any questions regarding the above matter, please contact Liliana Duran, Heritage Assessment Officer, at the Heritage Division, Office of Environment and Heritage on telephone 9873 8611 or by e-mail: [liliana.duran@environment.nsw.gov.au](mailto:liliana.duran@environment.nsw.gov.au).

Yours sincerely

14/03/2018
