Felicity Carter, 6/67 Denman Ave, Woollooware NSW 2230.

Woollooware Bay Town Centre Stage 1 - Retail/Club Precinct MP 10_0230.

I object to the project as the traffic and parking conditions in this area are already at their limit and adding to them would only push this area to breaking point.
Please give consideration to the local residents as another major shopping centre would only burden these people even more. There are already many places to shop.
