RE: Development Application alterations and additions to President Private Hospital
Kirrawee Application SSD10320.

Vincent Ravese
5 Badto Avenue
Gymea NSW 2227

We the residents of Badto Avenue Gymea object to the flippant attitude the Liberal Government has taken in the application regarding the nearby road network as stated on Page 93 of this application.

The adjacent intersection of Hotham Road, President Avenue and North West Arm Road is already one of the worse intersections for traffic in the Shire. The nearby streets cannot take parking on both sides as well as two lanes of traffic in the centre.

Your site visits were obviously done when it was the best time for parking.

We can assure you that if the Government go ahead with the idea that parking in this area is available they are very mistaken and time will tell!

We take this matter personally as it effects our home environment, so we urge you to please consider our objections and concerns.
