To Whom it May Concern,

Subject: Objection to DDS-10320 (President Private Hospital)

Please find enclosed my objection to the development of the President Private Hospital.

Reasons for objection to DDS-10320 (President Private Hospital)

1. Unsuitable location for such a large operation
2. Heavy vehicle traffic during construction in a residential area that can't handle this kind of traffic
3. Increased traffic after completion, with the intersection of Hotham Road and President Avenue already over capacity
4. Insufficient on-site parking for construction workers during construction
5. Insufficient on-site parking after completion (not enough parking under the hospital for patients, visitors and staff)
6. Safety concerns around the new mental health unit
