Dear Sir/Madam

Re: Extension of Grants Road Sand Quarry – Application NO 08_0099

We provide this letter in support of the application to extend the Grants Road Quarry at Somersby NSW.

We currently purchase rock and sawn sandstone blocks from the Grants Road quarry for use in retaining wall construction in the Central Coast and Newcastle areas. Our concern in relation to the application is that, if not approved, there will remain only one source of these products in the Central Coast area which will potentially result in shortage of supply and increased prices due to lack of competition.

We urge you to approve the application for Grants Rd Sand to expand their quarry and continue to provide a much needed resource for construction in the Central Coast, Sydney and Newcastle areas.

We also declare that we have not made any political donations in the past two years nor are we associates of the applicant.

Yours faithfully
Robson Civil Projects P/L
