Dear Sir

**RE: SUBMISSION – GULLEN RANGE WIND FARM – MODIFICATION 1 (MP 07\_0118 MOD 1)**

Reference is made to the invitation to provide a written submission to the Gullen Range Wind Farm modification proposal.

Council at its meeting held on the 17 April 2014 under Minute No 84/14 resolved the following:

*"That Upper Lachlan Shire Council asks that consideration of the late modification application by Goldwind regarding its Gullen Range Wind Farm be put on hold pending a full enquiry, preferably of judicial status, into the developer's numerous breaches of Conditions of Construction Consent, the wholesale re-siting of scores of turbines without seeking consent, the major damage caused to one of the Shire's main roads, and a general disregard by the developer during construction of negative impacts upon nearby non-host residents".*

For any further information or clarification please contact Council during office hours.

Yours faithfully

Tina Dodson
