Dear Sir or Madam,

I am a farmer
& also I own land on which
the turbines are being built.

The turbines on which
they moved on my property were
moved because one was on
my ^{neighbours'} ~~neighbour~~ country & one
was on the side of a hill.
also the other one was near
a fence and also a lot of
trees. I would like the job
completed as soon as they can.

Yours Faithfully

RRR
