Dear Jason Maslen,

Thank you for consulting the EPA in regard to the Notice of Exhibition for the proposed Loreto Normanhurst School Redevelopment (Concept Proposal and Stage 1) SSD-8996 at 91-93 Pennant Hills Road, Normanhurst.

The EPA has previously stated, on 12 January 2018, that the EPA has no further interest in the proposal and no further consultation is required.

The proposal does not require an environment protection licence under the *Protection of the Environment Operations Act 1997*.

The proposal is not being undertaken by or on behalf of a NSW public authority.

The EPA is not the appropriate regulatory authority for the proposal.

In view of these factors, the EPA has no further interest in the proposal and no further consultation is required.

The local council should be consulted as the appropriate regulatory authority for the proposal.

If you have any questions please do not hesitate to contact me.

Kind Regards,

**Jarrod Grimston**
